

Paul Cap's Ballers Report

MARCH MADNESS FINALS EDITION - Champions Row

For the week of April 1, 2024

Monday leagues produced the most winners with 4 of the 5 coming out of the Senior Mixed and Monday Night Invitational. Great competition this year, with a few upsets, surprises and nail-biters along the way.

YELLOW A Bracket

Britney Holben (Monday Night Invitational) took 1st in the bracket, besting **Scott "Cupcake" Joiner** (Talon Men). Holben had the highest average and most total pins in the winner's circle.

YELLOW B Bracket

It took two tries, but in the end **Jim Lostetter** (Senior Mixed) took down **Betty Frisina** (Ladies Midweek). The two first went head-to-head in week 3 of the competition, as Lostetter also competed under the Senior Men's league.

ORANGE A Bracket

In his first season at Plaza Lanes, **Mark Murray** (Monday Night) overcame **Mary Lou Lenhardt** (Senior Mixed). Don't let her graceful demeanor fool you, Mark. She'll come after you next season...

ORANGE B Bracket

This battle of giants pitted Hall of Famer **Joe Belknap** (Senior Men) against **Michael Chance** (Senior Mixed). In the end, Belknap took first in the bracket and a little extra cash for his trip abroad. Arrivederci!

GREEN A Bracket

The hot little chili pepper **Diane Davison** (Early Birds) burned through the competition, until the end when **Rich Westerbeck** (Senior Mixed) put out her fire.

Thank you to all the bowlers who participated and
congratulations to all the winners!

March Madness 2024
